

Aeromax 2 stand-mount speaker

- BMR (Balanced Mode radiator) driver to seamlessly cover the frequency range from 250Hz to 22kHz, allowing the woofer to be entirely optimised for efficient bass response, effectively becoming a subwoofer
- 4th Generation BMR driver with exceptional high frequency extension to bring crisp top end
- Ultra high grade crossover components to bring superb levels of detail and transparency
- Extensively braced cabinets that lock the drive units mechanically to the cabinet structure resulting in lower colouration and cleaner dynamics
- OFC internal cabling for the purest signal path from the audiophile grade, gold plated terminal posts to the crossover and drive units
- Available in gloss white and gloss black finishes

Detailed Specifications

Sensitivity	90dB
Frequency response	40Hz – 22kHz
Impedance	8 Ohms compatible
Recommended amplifier power	25-120 Watts
Drivers	1 x 46mm (2") BMR 1 x 165mm (6.5") high power subwoofer
Ported	1 front
Colour	Gloss Black or White
Dimensions (H x W x D)	370 x 203 x 335mm (14.6 x 8.0 x 13.2") including grille
Weight	7.24kg (15.96lbs) each
