

DALI BASIK SUB

High-performance all-round subwoofer

Compact, colourful and powerful, the BASIK SUB completes your compact speakers with the depth and control your music and movies deserve.

Key features:

Complete your system

Bring your system to life with deeper, more controlled bass that your compact speakers cannot deliver alone. The BASIK SUB adds scale, weight and clarity, freeing your speakers to perform at their best. The result is a richer, more balanced soundstage and a far more immersive listening experience. Complete your compact speaker system with the BASIK SUB!

Elegant colourful design

Compact, stylish and available in expressive colours, designed to complement your space as beautifully as your sound.

Smooth integration into stereo and surround systems

Enjoy bass that feels like a natural extension of your speakers. Designed for precise timing and low distortion, the BASIK SUB blends effortlessly into both stereo and surround systems. You get clean, controlled low frequencies that enhance every detail without overpowering the rest of your sound.

Down-firing 8-inch long-stroke woofer

Experience powerful bass that fills the room evenly and effortlessly. The 8-inch down-firing long-stroke woofer ensures wide dispersion, easy placement and minimal localisation, so you feel the bass without hearing where it comes from. The result is deeper, cleaner and more detailed low frequencies that enhance every listening moment.

Powerful class-D amplifier

High-efficiency Class-D power delivers dynamic, controlled bass with low heat, low consumption and reliable performance.

Easy placement for room-filling sound

Place it where it works best for you. Thanks to its compact size and down-firing design, the BASIK SUB integrates easily into any room. Elevated on 25 mm feet for improved efficiency and reduced floor interaction, it performs effortlessly whether positioned by a wall or in a corner delivering consistent, room-filling bass with complete placement freedom.

Finishes:

Caramel White, Golden Yellow, Chilly Blue, Solid Black, and Solid White.
