CROSSOVER FREQUENCY	50 to 150 Hz
DRIVER	10-inch high-excursion doped paper cone
STANDBY POWER CONSUMPTION	.5 Watts
CABINET	CARB2 rated MDF
CABINET FINISH	Black brushed vinyl
PORT	Dual flared
INPUTS	LFE RCA
WIDTH	13.5 in / 343 mm
HEIGHT	13.5 in / 343 mm
DEPTH	13.5 in / 343 mm
WEIGHT	26.4 lb / 12 kg

### Custom Driver

A custom 10-inch long-throw driver provides the quality and quantity of bass that is fundamental to accurately reproducing today's demanding movie soundtracks and music.

### BASH® Amplifier

All ELAC subwoofers utilize BASH tracking amplifiers. Unlike conventional amplifiers, BASH amplifiers track the input signal and adjust the available supply voltage to a traditional Class AB amplifier. This makes the amplifier incredibly efficient but also provides the on-demand power needed for dynamic movies and music.

### Auto Power On/Off

The subwoofer will detect when an audio signal is being sent to the amplifier and will power on. Also, to conserve energy, the subwoofer will power off after a long period of inactivity.
